OH	Miami	Staunton	1803			roost	Pigeon roost 2 miles in length and half a mile in width. Congregated by the millions. Hundred nests in a single tree top.	1027
OH	Miami	Troy	1818			roost		1027
OH	Muskingum	Zanesville	1819	10	14	Nest	Immense flocks, the pigeons "love to be shot"	1258
OH	Muskingum		1813			roost/nest	destroyed the timber in the area	1624
OH	Pickaway	Circleville	1850	4	15		great numbers; one net took 1,285 birds in one day	103
OH	Pickaway	Circleville	1861				shipped over 225 barrels of pigeons to New York and Boston	145
OH	Pickaway	Circleville	1861	3	15		large numbers trapped and	145

							shipped; by April 5 total = 750 barrels.	
OH	Pickaway	Circleville	1861			Roost	Roost in Hocking Hills	1459
OH	Pickaway	Circleville	1850				caught in a single net	1700
OH	Pickaway	Circleville	1861	3			Large numbers of pigeons shipped	2131
OH	Portage	Aurora	1835			roost	vast numbers; roost	8
OH	Summit	Northfield	1835			roost	vast numbers; roost	8
OH	Summit	Hudson	1847	4	15		great numbers	94
OH	Summit	Akron	1815	4		Roost	Pigeons in the millions	1378
OH	Summit		1835				Their flight darkened the sky	2216
OH	Summit	Hudson		3	8	migration	pigeons migrating	2339
OH	Summit	Akron				roosting	large roost in swamp	2436
OH	Trumbull	North Bloomfield				roosting	branches loaded to the utmost capacity with pigeons	2441
OH	Trumbull		1878	2	25		millions roosting in Bloomfield Swamp	258
OH	Trumbull	Bloomfield	1878	1	20	roost	large roost	264
OH	Trumbull	Bloomfield	1878	2	16	roost	large roost	264
OH	Trumbull	North Bloomfield	1884	6		Roost	Flights of many square miles	1291
OH	Trumbull	Bloomfield		2	16	roosting	roosting in a swamp	2550
OH	Tuscarawas	Zoar					Myriads of birds were seen the year before	1094
OH	Tuscarawas	Zoar					A field of pigeons. Thousands of the birds alighted on the trees.	1094-1095
OH	Washington	Marietta	1832	10	15	roost	roost 3 miles square	2
OH	Washington	Decatur	1832	10	15	roost	roost of 3 or 4 square miles	2

OH	Washington	Marietta	1840	9	15	roost	roost covered several hundred acres	16
OH	Washington	Waterford	1803	5	13	Roost	Roosts of 1000 acres and larger	1308
OH	Washington	Marietta	1832	2	1	Migration	Pigeons would come to the area for the large amount of acorns to eat	1323
OH	Washington	Marietta	1841	9	15	Roost	A "fine year for mast" brought many pigeons to the area	1325
OH	Washington	Marietta	1806			roost	schoolchildren dismissed to see the flight	1623
OH	Washington	Marietta	1840	10		Roost	Pigeons uniformly visited the shore of the Ohio River for drinking	2156
OH	Washington	Marietta		9			feed on berries of <i>Phytolacca decandra</i> or poke	2238
OH	Washington	Marietta		3		migration	pigeons arriving	2343
OH	Washington	Waterford	1801	10		roosting	such numbers of pigeons lodged upon trees	2436
OH	Washington	Marietta	1832	1		roosting	huge roost in large timber	2436
OH	Washington	Marietta	1840	10		roosting	roosting in second growth	2436
OH	Washington	Marietta	1833	1	1	roosting		2550
OH	Wayne	West Salem	1880	1	3	Roost	Thousands and thousands of birds showed up, so dense you could kill 90 birds with one shot	1445
OH	Wayne	West Salem	1880	1		Roost	Beech was the chief tree in the region	2108
OH	Wayne			9	19	migration	fall migration dates	2350
OH	Wyandot	Upper Sandusky	1875				immense numbers	233

OH			1835				flock 30 miles by 4 or 5 broad	8
OH			1840	10	15		fine mast crop	16
OH			1859				great flight at Pine creek	135
OH			1867				caught birds on bait; birds broke up due to shooting and snow	174
OH			1873				no nesting	214
OH			1882				thick	321
OH							A tract of country about 15 miles square that is completely occupied by pigeons in the breeding season.	1126
OH							I fancy they breed towards the Ohio plains.	1191
OH			1860 - 1870				Numerous in eastern Indian and Ohio.	1192
OH			1835	4		Migration	Flocks 30 miles long by 4 or 5 broad, smaller each year	1266
OH			1826	9		Migration	Pigeons come back each year to eat acorns off the same trees	1322
OH		Waterford	1801	11		roost	killed a forest of several hundred acres due to their roosting	1713
OH			1838				Area is too well settled for pigeons	2148
OH			1822				Nest of sticks was seen placed in a small tree	2162
OH							The Cooper's Hawk should been	2175

							numerous due to the great concentration of Passenger Pigeons	
OH			1834				The Goshawk will fly into the center of a flock, scattering them, before taking a pigeon	2177
OH							Excessive hunting and trapping, as well as mature forest removal, led to the passenger pigeons extinction	2181
OH			1841				Clearing of forests takes away pigeons food supply	2183
OH			1863				Flight based on the principle of every one for himself	2207
OH							Pigeons relied on beechnuts when nesting	2231
OH			1851	4			vast numbers feeding upon grasshoppers	2255
